Road Description to TEN-EE-AH Lodge

You will drive on Highway 97 either south, coming from Williams Lake, or north, coming from 100 Mile House.

- 1a) **Coming from 100 Mile House (driving north) you arrive in Lac La Hache after 26km**
Before entering the community you will notice on your right hand side a large Ten-ee-ah sign announcing that you should turn right after approx. 900 m. This turn off after 900 m is characterized by
 - I) the Restaurant "HUNGRY BEAR" on the intersection (MAP)
 - II) the post office opposite the intersection (MAP)
 - III) a blue road sign marked "RESORT AREA, SPOUT LAKE, TIMOTHY MOUNTAIN" (MAP Index)

- 1b) **Coming from Williams Lake (driving south) you arrive in Lac La Hache after 70 km**
In Lac La Hache, after the "RACE TRAC" Gas Station (left) you will see a large blue sign on the right side of the Highway marked: "RESORT AREA, TIMOTHY MOUNTAIN". Make a left turn after the "HUNGRY BEAR" Restaurant

- 2) Follow the road which is constantly ascending for 7 km. After 7 km the road depicts a large right hand bend (MAP 78). In the bend a sign "TEN-EE-AH LODGE" tells you to leave the paved road to the left and follow for 21 km the gravel/dirt road Nr. 1500.

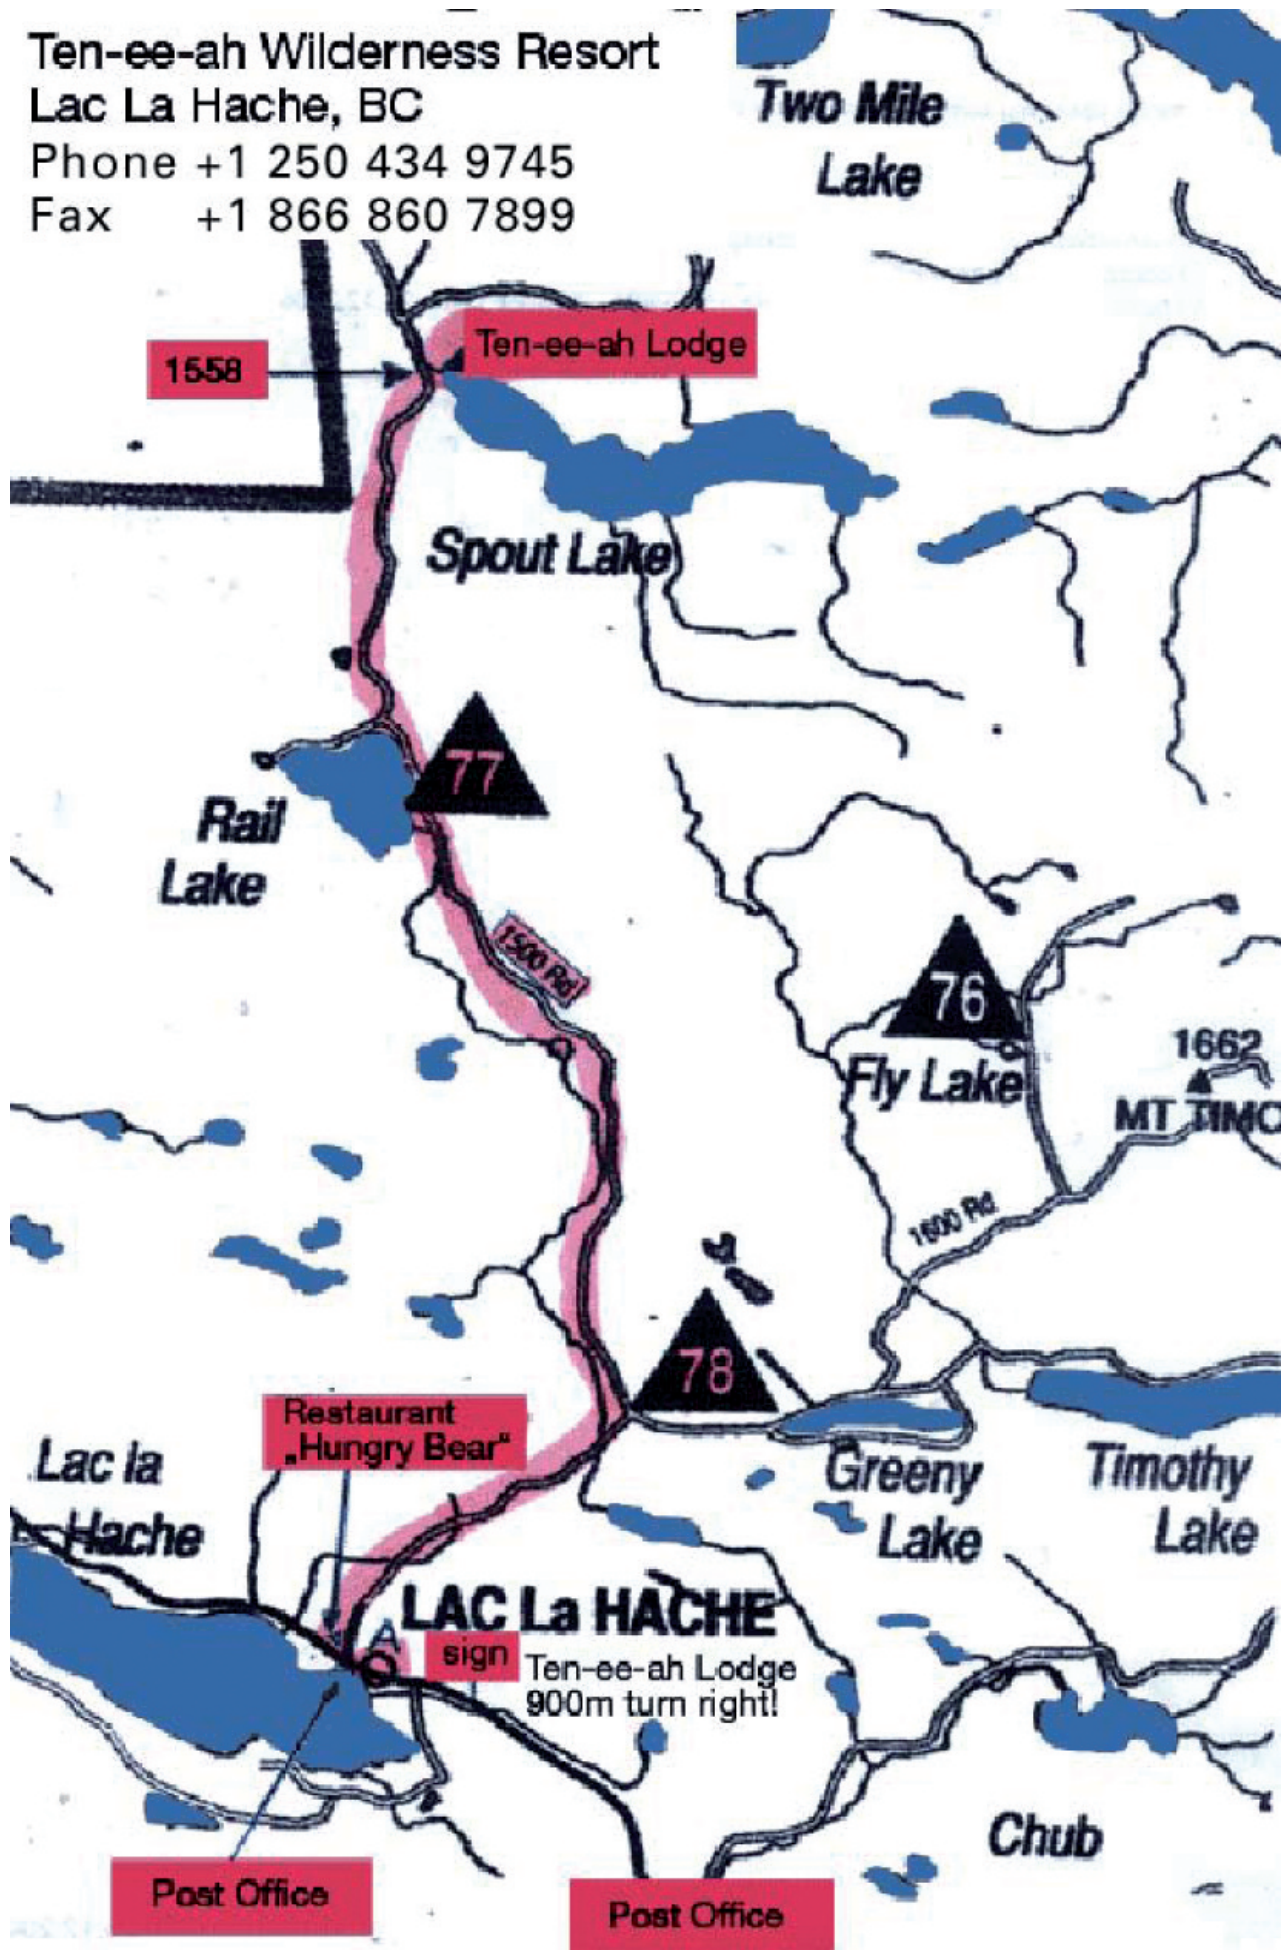

- 3) The gravel road should be – but is only occasionally – marked every kilometre with yellow wooden boards (fixed normally on trees but often lost through weather) marked 15xx, whereas 15 stands for the road number (1500) and the two last digits indicate the kilometres.

- 4) After another 14 km you will see through the trees "Rail Lake" on your left side (MAP 77) which is populated with residences and weekend cabins. At this point the power line, which followed most of the time Road 1500, ends.

- 5) Another white sign marked "TEN-EE-AH LODGE" asks you to continue and not to panic. The old forest is now more and more replaced by young trees and after 7 km you will find the yellow road sign marked 1558 on your right. Turn right after 200 m through the Gate with the Ten-ee-ah Logo. Follow the sign "office" at the intersection to the campground, drive over the bridge, up the hill, turn right.

- 6) WELCOME to the Wilderness Resort!
